- Lack of air conditioning precludes commercial rental of some auditoriums during summer months.
- All rates listed above are hourly. The high school auditoriums have a three-hour minimum.
- Minimal custodial supervision provided with the rental of any facility. Additional custodial service can be provided at an increased cost to the rental group. An additional charge may be made for special school equipment such as projectors, overheads, extra microphones, and additional stage crew personnel. Any combination of the above facilities will require combining the two rates into one single charge.
- Football field can be rented by making special arrangements with the high school principal. The rate will be determined on the basis of electrical demand cost plus cost of the facilities provided.
- Building charges accrue from the time preparations are begun through final clean up.
- Rental of any facility is subject to principal discretion based on school needs and appropriateness.
- Organizations must provide an IRS 501 (C) (3) letter of determination.
