

# 2017 USEA Dental, Vision and TeleMed Partnering with EMI Health

**Utah

Association**

## Take advantage of being a member of USEA

Still in effect, USEA will no longer be pulling premiums from the member's payroll. All premiums will be withdrawn via ACH monthly at a consistent monthly rate.

What this means for you is that EMI Health will pull the premium monthly from your checking account or a credit card. You'll be able to budget for this, because the premium will be the same each month.

The bundled approach will give you access to Dental, Vision, and TeleMed products with only one deduction monthly.
