

RETIREMENT & YOU

UPCOMING EDUCATIONAL PRESENTATION

AGING FACTS TO CONSIDER!

The 65 and older population of Utah will grow by nearly 127,000 from 2010 to 2020

In Utah, one person turned 65 years old every 23 minutes in 2015

Over 70% of seniors do not maximize their Social Security benefits

During this 90 minute presentation, a **Medicare** expert from Senior Benefits Insurance Services and a **Social Security** expert from Capita Financial will take you through the “must knows” of Medicare and Social Security. Throughout the time together, you will receive answers to important questions regarding how you can maximize future health and financial wellness.

Date: Tuesday, November 28, 2017

Time: 4:00 PM

Location: PDC - Professional Development Center
240 West 940 North, Provo
