

We have some GREAT news!!

- * We are happy to announce that we have changed the **WELLNESS** requirements for 3rd quarter. You will only need one activity challenge to receive the awesome incentives. This means if you have already completed two activity challenges so far this year you have already accomplished this goal! **Way to go!!** If not you still have until the 30th of April to accomplish the challenge of 7000 steps a day for 20 days within a calendar month.
