PHI

What is Protected Health Information (PHI)?

PHI means individually identifiable health information, as defined by HIPAA, that is created or received by a medical provider or the plan or an insurance company that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or for which there is a reasonable basis to believe the information can be used to identify the individual. PHI includes information of persons living or deceased.

We’ll provide one accounting a year for free but will charge a reasonable, cost-based fee if you ask for another one within 12 months.

Our Uses and Disclosures

How do we typically use or share your health information?

We typically use or share your health information in the following ways:

Pay for your health services

- We can request, use and disclose your PHI as we pay for your health services or help resolve claims at your request.
- *For example, if we offer a Health FSA, we (through the FSA Administrator) may use information about your medical services to process and pay claims.*

Health Care (Plan) Operations

- We can use and disclose your information to administer and manage the group health plan.
- *For example, this may include activities relating to the creation, renewal, or replacement of your group health plan coverage, business management, and other functions related to your group health plan. If any part of the plan is self insured, we also may use PHI for activities relating to reinsurance, auditing, and quality improvement.*
- We are not allowed to use genetic information to decide whether we will give you coverage and the price of that coverage.

Family and Friends Involved in Your Care

- If you are available and do not object, we may disclose your PHI to your family, friends, and others who are involved in your care or payment of a claim. If you are unavailable or incapacitated and we determine that a limited disclosure is in your best interest, we may share limited PHI with such individuals.
- *For example, we may use our professional judgment to disclose PHI to your spouse concerning the processing of a claim.*

Business Associates

- The group health plan sometimes contracts with third parties or organizations to help administer or manage the plan or to provide services for the plan.
- *For example, we might contract with vendors to help process and pay your claims, or to review utilization of services. These vendors are called “business associates,” and we will provide PHI to them only if we have a signed “business associate agreement” in place with them.*

How else can we use or share your health information?

We are allowed or required to share your information in other ways – usually in ways that contribute to the public good, such as public health and research. We have to meet many conditions in the law before we can share your information for these purposes. For more information see: www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/index.html.

Help with public health and safety issues

We can share health information about you for certain situations, although it is really the insurer not the plan sponsor who would have relevant health information:

- Public health issues – preventing the spread of disease
- Helping with product recalls of medical devices
- Reporting suspected abuse, neglect, or domestic violence
- Preventing or reducing a serious threat to anyone’s health or safety

Do research

- We can use or share your information for health research, although the plan rarely if ever uses it for this purpose.

Comply with the law

- We will share information about you if state or federal laws require it, including with the Department of Health and Human Services if it wants to see that we're complying with federal privacy law.

Respond to organ and tissue donation requests

- We can share health information about you with organ procurement organizations.

Work with a medical examiner or funeral director

- We can share health information with a coroner, medical examiner, or funeral director when an individual die

 - For workers' compensation claims
 - For law enforcement purposes or with a law enforcement official
 - With health oversight agencies for activities authorized by law
 - For special government functions such as military, national security, and presidential protective services

Respond to lawsuits and legal actions

- We can share health information about you in response to a court or administrative order, or in response to a subpoena.

The health plan does not sell your information or use it for marketing purposes. If the plan ever wanted to in the future, we could not unless you give us permission.

Our Responsibilities.

- We are required by law to maintain the privacy and security of your protected health information.
- We will let you know promptly if a breach occurs that may have compromised the privacy or security of your information.
- We must follow the duties and privacy practices described in this notice and give you a copy of it.
- We will not use or share your information other than as described here unless you tell us we can in writing. If you tell us we can, you may change your mind at any time. Let us know in writing if you change your mind.

For more information see: www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/noticepp.html.

Changes to the Terms of this Notice

We can change the terms of this notice, and the changes will apply to all information we have about you. The new notice will be available upon request.

HIPAA Special Enrollment Notice

This notice explains your right to enroll in or make changes to your group health insurance coverage mid-year.

Loss of Other Coverage

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage), except as specified below for Medicaid or CHIP coverage.

Marriage, Birth or Adoption

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Medicaid or CHIP Coverage

If you or your dependents become eligible to participate in a Medicaid or Children's Health Insurance Plan (CHIP) premium assistance program, you may enroll for coverage under our health plan if you notify the plan administrator within 60 days after you become eligible to participate in Medicaid or CHIP.

If you or your dependents lose coverage under a Medicaid or CHIP premium assistance program due to loss of eligibility, you may enroll in our health plan if you apply to enroll within sixty (60) days of the loss of coverage under Medicaid or CHIP. If you enroll within sixty (60) days, the effective date of coverage is the first day after your Medicaid or CHIP coverage ended.

To request special enrollment or obtain more information, contact the Plan Administrator at (801) 374-4847 or rebeccar@provo.edu.

Medicare Part D Notice of Creditable Coverage

Important Notice from Provo City School District About Your Prescription Drug Coverage and Medicare

If you or your dependents are not eligible for Medicare, you may disregard this notice.

This notice applies to those covered under the Provo City School District Benefit Plan. Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with our Benefit Plan and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan.

If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Provo City School District has determined that the prescription drug coverage offered by the Provo City School District Medical Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Provo City School District coverage will not be affected. Medicare eligible individuals who become eligible for Medicare Part D can keep this coverage if they elect Part D and this plan will pay primary to Medicare Part D coverage. If you do decide to join a Medicare drug plan and drop your current coverage under our plan, be aware that you and your dependents will not be able to get back this coverage back except at the next annual open enrollment or if you have a "special enrollment" event.

Medicare Part D Notice of Creditable Coverage

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Provo City School District and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person at the number listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Provo City School District Plan changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov.
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Notice Regarding Wellness Programs

The SelectHealth Share program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others.

If you participate in the wellness program, you will be asked to complete a voluntary health risk assessment that asks a series of questions about your health-related activities and behaviors. You will also be asked to complete an onsite biometric screening or obtain a screening through a physician, which will include measuring blood pressure, body mass index, waist circumference and body fat percentage. The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks. The information may also be used to offer you services through the wellness program, such as onsite presentations or wellness challenges. You also are encouraged to share your results or concerns with your own doctor.

Employees who complete the SelectHealth Share program engagements by the given deadlines throughout the plan year will be eligible to receive wellness incentives. In addition, all insured employee can earn up to \$300 in insurance premium credit. In order to receive the wellness incentives, employees must complete the following Share engagements: Create a MyHealth SelectHealth member account and register on Virgin Pulse, attend the onsite biometric screening or complete a screening through your physician, select a Primary Care Physician, complete the online health check, complete at least one digital health coaching journey, and complete at least two activity campaigns. In addition, establish and contribute to your Health Savings Account, complete the Prediabetes Education, and participate in Care Management, if applicable. Although you are not required to complete the listed activities, only employees who do so will be eligible to receive the incentive. (* IRS Tax Memo: Some financial incentives will be subject to income tax for the employee who receives this benefit/incentive)

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting human resources. Due to the potential changes with wellness regulations in response to the AARP v EEOC case, the incentive limit may change at some point during the plan year. Please note that we will notify health plan members of any changes and adjust wellness rewards accordingly.

Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Provo City School District use aggregate information it collects to design a program based on identified health risks in the workplace, SelectHealth will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed, except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individuals who will receive your personally identifiable health information are the biometric screeners to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach. In the event a data breach involving information you provide in connection with the wellness program occurs, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact human resources.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit selecthealth.org or call 800-538-5038. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	\$1,500 person/\$4,500 family in-network and \$3,000 person/\$9,000 family out-of-network per <u>plan</u> year.	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes, for in-network <u>providers</u> : <u>preventive care</u> , office visits, and prescriptions are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	Yes. \$100 per person for prescription drugs. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$4,000 person/\$8,000 family in-network and \$8,000 person/\$16,000 family out-of-network.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billed</u> charges, infertility services, healthcare this <u>plan</u> doesn't cover, and penalties for failure to obtain <u>preauthorization</u> for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. To find an in-network SelectHealth Med [®] <u>provider</u> visit selecthealth.org/findadoctor or call Member Services at 800-538-5038.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

* For more information about limitations and exceptions, see the plan or policy document at selecthealth.org/materials.

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	\$2,500 single/\$5,000 family in-network and \$2,750 single/\$5,500 family out-of-network per <u>plan</u> year.	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes, for in-network <u>providers</u> : <u>preventive care</u> and <u>preventive</u> prescriptions are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$4,000 single/\$6,850 family in-network and \$5,500 single/\$11,000 family out-of-network.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billed</u> charges, healthcare this <u>plan</u> doesn't cover, and penalties for failure to obtain <u>preauthorization</u> for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. To find an in-network SelectHealth Med [®] <u>provider</u> visit selecthealth.org/findadoctor or call Member Services at 800-538-5038.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

* For more information about limitations and exceptions, see the plan or policy document at selecthealth.org/materials.
