

Teachers,

Many of you have had difficulty logging into Canvas courses. In order to utilize the PD courses for your 12 hours of summer work, you will need to access your Canvas account. All teachers that were employed in Provo for the 2019-2020 school year have been assigned a Canvas account. (Newly hired teachers will have an account after July 16). We have included instructions for accessing your Canvas account.

There is a quick and easy way to sign into Canvas.

1. Login to your school Google account in your desired browser.
2. Click on [Provo.instructure.com/login/saml/13](https://provo.instructure.com/login/saml/13)
3. Select your school Google account if prompted and you will be logged in automatically.
