From 8:30 am to 6:30 pm

515 Lakeview Parkway

Provo, UT 84606

East Bay Post High

Provo Transition Services (East Bay Post High) is dedicated to assisting students with disabilities in their transition to adulthood, by providing experiences in the areas of post secondary education, vocational training, independent living skills, community access, and in connecting students with adult services and agencies. These experiences will develop responsible and independent adults who have a strong work ethic and are prepared to become active participants in the community.
