

Looking to complete your Level 1 Reading Endorsement, Level 2 Advanced Reading Endorsement, or Level 2 Interventionist Reading Endorsement prior to July 1, 2023?

The University of Utah Reading and Literacy Program is offering the following reading endorsement coursework classes Summer 2021- Spring 2023. Educators are welcome to take the courses independently as non-matriculated students, or to apply to our M.Ed in Reading and Literacy to complete remaining endorsement needs while earning a master’s degree in Reading and Literacy. All courses are offered via IVC delivery (live, same-time delivery using web video technology.)

*Both Level 2 endorsements do require completion of the Level 1 endorsement (both coursework and Praxis exam.) See the [USBE website](#) for more information.

**The University of Utah Reading Clinic offers both Tier II and Tier III Instruction courses year-round. Please see their [UURC Coursework](#) website for more information.

To register for individual courses as a non-matriculated student, visit the [U of U General Catalog & Course Schedules](#) webpage approximately 10-12 weeks prior to the semester start. Select the upcoming semester, then Educational Psychology, and the course number. Be sure to register for section -030.

To apply to the M.Ed in Reading and Literacy program, visit the [M.Ed in Reading and Literacy Program](#) webpage for more information and application details. (Additional courses for this program are offered each semester in addition to the ones above.)
