

MIDAS 42860 -- Teacher Trilobite Day

SATURDAY, October 15, 2022

U-Dig Fossil Quarry opens 9AM
PD begins noon and ends at 2:30 PM.

*With your family! Lunch for all...
PD for teachers...*

Find world-class fossils.

With staff of U-Dig Fossil Quarry

U-Dig website <https://u-digfossils.com> has info, maps, weather, roads, etc.

PD with Genevieve Atwood, former State Geologist of Utah. Info at earthscienceeducation.org (FAQ, what to wear, ties to SEEd...)

LUNCH (noon) is for all teachers and families. It is a lesson plan... a model of layered rocks and their fossils, a stratigraphic sandwich!

Teachers who attend the workshop (including lunch), complete the handout, and pass the (easy) quiz will be reimbursed \$50 to partially compensate quarry expenses and travel.

- Earn MIDAS credit (3 relicensure points) plus zoom follow-up (2 additional points).
- Your school district may offer extra support.
- PD meets SEEd standards for 2nd, 5th, 7th Grade and Earth and Space Science teachers.
- JOY of Earth science outside! and you'll take your trilobites to your students and share the JOY!

Additional information: <http://www.earthscienceeducation.org>

COMPLEX pricing... PD has no charge. UDig quarry offers a Teacher Day discount for all Utah Teachers, for 2022: \$30 plus tax per adult; \$20 plus tax perchild 7 - 16; younger are free. Pay when you arrive. Lunch for all teachers and families. Teachers taking PD pay the discounted fees and are reimbursed \$50. World-class!! AMAZING!!!
