Student First Name _____

Student Birth date _____

Many state tests require a specific grade level for test administration, for example, the RISE Grade 4 test is provided to students that are in the 4th grade; Utah Aspire Plus is provided to students in the 9th or 10th grades; and the ACT is provided only to students in the 11th grade)

I verify that my student meets the required grade assignment for the desired tests and I permit PCSD to acquire my student's SSID for the test administration.
