

April 22

CELEBRATING EARTH DAY

Although it began in the United States in 1970, Earth Day is now celebrated by more than **1 billion people worldwide each year!**

The holiday was created to increase awareness of the environment and how we treat nature.

PROGRESS & EDUCATION

3 WAYS TO BE AN EARTH DAY HERO

Take a walk or bike ride to have fun while reducing emissions

Beautify your neighborhood by cleaning up discarded trash

Plant a seed or tree to appreciate Earth while adding to our vital ecosystem
