District ELA Interims are considered open for each assessment when the teacher feels students are ready to test. The dates listed indicate the last day the interim should be taken. This is subject to change

NOTE: The window for Acadience Testing starts on the first day of school. Before testing can begin, anyone administering the test must have completed the testing ethics training and received training to administer the tests.

District Math Interims (Growth Measure Assessments) will be administered three times per year at each grade-level. Assessment windows for each assessment are indicated in the Math Pacing Guides located in the Curriculum Notebook. Link: <https://peow.instructure.com/courses/39767/pages/math-assessments>
