

## Optum RX Price Edge & Mail Order Solutions

Optum Rx Price Edge offers discounted prices on generic medications, whether you are covered by the Provo City School District pharmacy benefit plan or not.

### How It Works

- **Seamless Integration:** Continue using your current network pharmacy.
- **Automatic Savings:** Fill prescriptions as usual and enjoy lower copays on some covered medications.
- **Discounts on Non-Covered Medications:** Receive discounted prices on medications not covered by your plan, including over-the-counter products, with a prescription from your doctor.

### Get Started

- **Download the Optum Rx App:** Scan the QR code at the bottom of this newsletter to download the app or log in at [OptumRx.com](https://OptumRx.com) to check medication prices.

### Optum Home Delivery Pharmacy

Save money on your monthly prescription costs by moving eligible medications to Optum's Home Delivery program. With Optum's Home Delivery option, you can receive a 90-day supply of eligible prescriptions delivered directly to your home. Standard shipping is free, and you can have access to a pharmacist 24/7 to help answer any questions.

You can move your medications to Optum's Home Delivery program in one of four ways:

1. Go to your UMR portal or app, and sign up for Optum Home Delivery
2. Use the OptumRX app
3. Call the number on the back of your Member ID card and follow the prompts for Home Delivery
4. Ask your provider to send an electronic prescription to OptumRx

Access Optum's Home Delivery program any time by logging in to your UMR account and selecting "Home Delivery". From there, you can review your medications and check your costs, look up the cost of any new medications, and track your Optum Home Delivery order.

If you have any questions regarding your pharmacy benefits, please call Benefits at (801) 374-4879.
